9. Other attachments, including, but not limited to, the request for proposal or program application, if incorporated by reference on the Face Page

The documents above, collectively, comprise the entire Agreement and govern the program for the entirety of the term of the Contract and any resulting renewals.

**B. Funding:** Funding for the term of the Contract shall not exceed the amount specified as “Contract Funding Amount” on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

**C. Contract Performance:** The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. Modifications may be subject to the approval of the AG and OSC in accordance with Appendix A, Section 3, Comptroller's Approval. A modification that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such Contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a proportion of the total value of the Contract, equal to or greater than ten percent for contracts of five million dollars or less, or five percent for contracts of more than five million dollars. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Contract.

**E. Severability:** Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

**F. Interpretation:** The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered gender neutral. The Contract has been made under the laws of the State of New York, and the venue for

resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

**G. Notice:** All Notices under this Contract, including termination notices, shall be made in writing and directed to the representatives identified herein, or their designees and shall be transmitted by: a) certified or registered United States mail, return receipt requested; b) facsimile transmission; c) personal delivery; d) expedited delivery service; and/or e) e-mail. Notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

The parties may, on written notice, designate other individuals as their representatives. Such representatives shall request, oversee, supervise, and accept performance of services provided by the Contractor and shall receive any required submissions. Whenever an action is to be taken, or approval for services given by the Agency, such action or approval may be given only by the representatives designated pursuant to this Section.

**H. Indemnification:** The Contractor shall be solely responsible and answerable in damages for all accidents, incidents, and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages, and cost of every nature arising out of the provision of services pursuant to the Contract.

**I. Legal Action:** No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Contract. The term “litigation” shall include commencing or threatening to commence a lawsuit, joining, or threatening to join as a party to ongoing litigation, or requesting any relief from the State of New York, the State Agency, or any county, or other local government entity. The term “regulatory action” shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from the State of New York, the State Agency, or any county, or other local government entity.

**J. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

**K. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste, and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections and will comply with requirements therein.

**L. Reporting Risks to Performance:** If any specific event, conjunction of circumstances, or any occurrence involving the staff, volunteers, directors, officers, subcontractors, or program participants of the Contractor threatens the successful completion of this project, in whole or in part, the Contractor agrees to notify the State Agency within three (3) calendar days of becoming aware of the occurrence describing the occurrence and the risk it poses to performance under the Contract. The Contractor’s notice shall include a written description of the event and a recommended solution. Such events may include, but not be limited to, death or serious injury, an arrest or possible criminal activity.

**M. Federally Funded Grants and Requirements Mandated by Federal Laws:** All the Specific Federal

requirements that are applicable to the Contract are identified in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto. To the extent that the Contract is funded, in whole or part, with Federal funds or mandated by Federal laws: (i) the provisions of the Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) to the extent that the modifications to Attachment A-3 are required by Federal requirements and conflict with other provisions of the Contract, the modifications to Attachment A-3 shall supersede all other provisions of this Contract; and (iii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto.

## **N. Renewal:**

1. **General Renewal:** The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a “Simplified Renewal Contract”). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.
  
2. **Renewal Notice to Not-for-Profit Contractors:** The Contract, as specified herein, may consist of successive periods on the same terms and condition referred to as a “Simplified Renewal Contract.” Each additional or superseding period shall be on the forms specified by the State and shall be incorporated into the Contract. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State’s intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation, than thirty (30) calendar days after the appropriation becomes law, whichever is later. Notwithstanding the foregoing, in the event the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State (“Unusual Circumstances”), no payment of interest shall be due to the Contractor. For purposes of State Finance Law §179-t, “Unusual Circumstances” shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance. Notification to the Contractor of the State’s intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

## **II. TERMINATION AND SUSPENSION**

### **A. Termination:**

#### **1. Grounds:**

- a) Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

b) Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or any applicable laws, rules, regulations, policies, or procedures. If the termination for cause results from unsatisfactory performance by the Contractor, the value of the work performed by the Contractor prior to termination shall be established by the State.

c) Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard by the appropriate State officials or staff, this Contract may be terminated by the State at the Contractor's expense where the Contractor is determined by the State to be non-responsible. In such event, the State may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.

d) Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.

e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency or entity entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at the State Agency's discretion. No reduction or termination shall apply to allowable costs already incurred by the Contractor whereby funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

f) Force Majeure: Performance under the Contract may be terminated or suspended by the State immediately upon the occurrence of a "force majeure" event. For purposes of the Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, declared pandemics, insurrection, riot, strikes, lockout, and any unforeseen circumstances and acts beyond the control of the parties which render the performance of contractual obligations impossible.

## **2. Effect of Notice and Termination on State's Payment Obligations:**

Upon receipt of notice of termination provided pursuant to the notice requirements prescribed in this Agreement, the Contractor shall stop work immediately and complete only those specific assignments and/or obligations, if any, subsequently approved by the State. In the event of termination other than for cause, the Contractor shall be entitled to compensation for services performed through the date of termination that are accepted by the State, and for any subsequent services that are accepted by the State, rendered in connection with any successor consultants and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the State. The Contractor agrees to cooperate to the fullest respect with any successor consultants and contractors.

## **3. Effect of Termination Based on Misuse or Conversion of State or Federal Property:**

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State

may, at its option, require: a) repayment to the State of any monies previously paid to the Contractor; b) return of any real property or equipment purchased under the terms of the Contract; or c) an appropriate combination of clauses (a) and (b) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

#### **4. Suspension:**

The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given formal written notice outlining the specific details of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

### **III. ADDITIONAL OBLIGATIONS, REPRESENTATIONS AND WARRANTIES**

#### **A. Contractor as an Independent Contractor/Employees:**

1. The State and the Contractor agree that the Contractor is an independent contractor, and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. Notwithstanding the foregoing, the State and the Contractor agree that if the Contractor is a New York State municipality, the Contractor shall be permitted to hold itself out, and claim, to be a subdivision of the State.

The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

2. The Contractor warrants that it, its staff, and any and all subcontractors have all the necessary licenses, approvals, and certifications currently required by the laws of any applicable local, state, or Federal government to perform the services or work, as applicable, pursuant to the Contract and/or any subcontract entered into under the Contract. The Contractor further agrees that such required licenses, approvals, and certificates shall be kept in full force and effect during the term of the Contract, or any extension thereof, and to secure any new licenses, approvals, or certificates within the required time frames and/or to require its staff and subcontractors to obtain the requisite licenses, approvals, or certificates. In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

#### **B. Subcontractors:**

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.

2. If requested by the State, the Contractor agrees not to enter into any subcontracts, or revisions to subcontracts, that are in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the State, which shall have the right to review and approve each and every subcontract in excess of \$100,000 prior to giving written permission to the Contractor to enter into the subcontract. All agreements between the Contractor and subcontractors shall be by written contract, signed by individuals authorized to bind the parties. All such subcontracts shall contain provisions for specifying (1) that the work performed by the subcontractor must be in accordance with the terms of the Contract, (2) that nothing contained in the subcontract shall impair the rights of the State under the Contract, and (3) that nothing contained in the subcontract, nor under the Contract, shall be deemed to create any contractual relationship between the subcontractor and the State. In addition, subcontracts shall contain any other provisions which are required to be included in subcontracts pursuant to the terms herein.

3. If requested by the State, the Contractor agrees to require the subcontractor to provide to the State the information the State needs to determine whether a proposed subcontractor is a responsible vendor.

4. When a subcontract equals or exceeds \$100,000, the subcontractor shall submit a Vendor Responsibility Questionnaire (Questionnaire).

5. If requested by the State, upon the execution of a subcontract, the Contractor shall provide detailed subcontract information (a copy of subcontract will suffice) to the State within fifteen (15) calendar days after execution. The State may request from the Contractor copies of subcontracts between a subcontractor and its subcontractor.

6. The Contractor shall require any and all subcontractors to submit to the Contractor all financial claims for Services or work to the State agency, as applicable, rendered and required supporting documentation and reports as necessary to permit Contractor to meet claim deadlines and documentation requirements as established in Attachment D (Payment and Reporting). Subcontractors shall be paid by the Contractor on a timely basis after submitting the required reports and vouchers for reimbursement of services or work, as applicable. Subcontractors shall be informed by the Contractor of the possibility of non-payment or rejection by the Contractor of claims that do not contain the required information, and/or are not received by the Contractor by said due date.

### **C. Use of Material, Equipment, Or Personnel:**

1. The Contractor shall not use materials, equipment, or personnel paid for under the Contract for any activity other than those provided for under the Contract, except with the State's prior written permission.

2. Any interest accrued on funds paid to the Contractor by the State shall be deemed to be the property of the State and shall either be credited to the State at the close-out of the Contract or, upon the written permission of the State, shall be expended on additional services or work, as applicable, provided for under the Contract.

### **D. Property:**

1. For the purposes of the Contract, "Property" is defined as real property, equipment, or tangible

personal property having a useful life of more than one year and an acquisition cost of \$1,000 or more per unit. For Federally funded contracts, if there is any conflict in the definition of "Property" the federal awarding Agency definitions will apply.

- a) If an item of Property required by the Contractor is available as surplus to the State, the State at its sole discretion, may arrange to provide such Property to the Contractor in lieu of the purchase of such Property. Such Property shall be returned to the State at the Contractor's cost and expense upon the expiration of the Contract unless the State consents in writing to the Contractor retaining possession of the Property to use for similar purposes.
- b) In addition, the Contractor agrees to permit the State to inspect the Property and to monitor its use at reasonable intervals during the Contractor's regular business hours.
- c) The Contractor shall be responsible for maintaining and repairing Property purchased or procured under the Contract at its own cost and expense. The Contractor shall procure and maintain insurance at its own cost and expense in an amount satisfactory to the State Agency, naming the State Agency as an additional insured, covering the loss, theft, or destruction of such equipment. The Contractor may not charge rental or use fees under this Contract for use or acquisition of Property to carry out its obligations under the Contract.
- d) The State has the right to review and approve in writing any new contract for the purchase of or lease for rental of Property (Purchase/Lease Contract) operated in connection with the provision of the services or work as specified in the Contract, if applicable, and any modifications, amendments, or extensions of an existing lease or purchase prior to its execution. If, in its discretion, the State disapproves of any Purchase/Lease Contract, then the State shall not be obligated to make any payments for such Property.
- e) No member, officer, director, or employee of the Contractor shall retain or acquire any interest, direct or indirect, in any Property, paid for with funds under the Contract, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the Contractor and the State.

2. For non-Federally funded contracts, unless otherwise provided herein, the State shall have the following rights to Property purchased with funds provided under the Contract:

- a) For cost-reimbursable contracts, all right, title and interest in Property with a remaining useful life shall belong to the State unless otherwise agreed to, in writing, by the State and the Contractor. However, upon agreement by the State, title shall pass to Contractor upon the end of the Property's useful life (as the phrase "useful life" is defined in Internal Revenue Code § 1.169-2).
- b) For performance-based contracts, all right, title and interest in such Property shall belong to the Contractor.

3. For Federally funded contracts, title to Property whose requisition cost is borne in whole or in part by monies provided under the Contract shall be governed by the terms and conditions of Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws).

4. The Contractor shall maintain an inventory of all Property that is owned by the State and obtained

by the Contractor under this Agreement.

5. The Contractor shall execute any documents which the State may reasonably require to effectuate the provisions of this section.

## **E. Records and Audits:**

### **1. General:**

- a) The Contractor shall establish and maintain, in paper or electronic format, complete and accurate books, records, documents, receipts, accounts, and other evidence directly pertinent to its performance under the Contract (collectively, Records).
- b) The Contractor agrees to produce and retain for the balance of the term of the Contract, and for a period of six years from the later of the date of (i) the Contract and (ii) the most recent renewal of the Contract, any and all Records necessary to substantiate upon audit, the proper deposit and expenditure of funds received under the Contract. Such Records may include, but not be limited to, original books of entry (e.g., cash disbursements and cash receipts journal), and the following specific records (as applicable) to substantiate the types of expenditures noted:
  - (i) personal service expenditures: cancelled checks and the related bank statements, time and attendance records, payroll journals, cash and check disbursement records including copies of money orders and the like, vouchers and invoices, records of contract labor, any and all records listing payroll and the money value of non-cash advantages provided to employees, time cards, work schedules and logs, employee personal history folders, detailed and general ledgers, sales records, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.
  - (ii) payroll taxes and fringe benefits: cancelled checks, copies of related bank statements, cash and check disbursement records including copies of money orders and the like, invoices for fringe benefit expenses, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.

## STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or “this contract”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

**1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

**2. NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**3. COMPTROLLER’S APPROVAL.** In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

**4. WORKERS’ COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

**5. NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

**6. WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor’s employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in

accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

**7. NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

**8. INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

**9. SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

**10. RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records

must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

**11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.** (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. Section 312 does not

apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. **24. PROCUREMENT LOBBYING.** To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

**25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.**

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

**26. IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

**27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.** Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

**ATTACHMENT D**  
**PAYMENT AND REPORTING**

**A. General Terms and Conditions:**

1. In full consideration of contract performance, the State Agency agrees to pay, and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained and the contract is fully executed. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. Payment for invoices submitted by the Contractor shall be rendered electronically in accordance with OSC's procedures and practices governing electronic payment unless payment by paper check is expressly authorized by the head of the State Agency, in his or her sole discretion after the Contractor establishes extenuating circumstances requiring payment by paper check.
7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.

9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by the State Agency, and, if actual expenditures by the Contractor are less than such sum, the amount payable by the State Agency to the Contractor shall not exceed the amount of actual expenditures.

10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. However, if this contract is funded, in whole or in part, with Federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures and submit the claim to the State Agency.

11. The State shall not be liable for payments on the Contract if it is made pursuant to a Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

12. The Contractor may be required to submit a Consolidated Fiscal Reporting System (“CFR”). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

## **B. Advance Payments and Claiming Requirements:**

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179-u for both multiyear and renewal contracts and the provisions of this contract. Federally funded contract advances will be made as set forth by the Federal grant award requirements and applicable Federal regulations and this contract.

2. For simplified renewals, the payment schedule will be modified as part of the renewal process. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year.

3. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.

4. All Claim Submissions including Advance Payments, Initial Payments, and Reimbursements shall be made in accordance with the State Agency approved Schedule A: Claiming Requirements below.

**Schedule A: Claiming Requirements**

Period :			
Claim Number	Claim Type	Claim Period	Due Date

5. Milestone/Performance Reimbursement is based upon the Contractor satisfactorily meeting specified and meaningful events or milestones in performance of duties under this Contract. Requests for such payments be severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event.

- For non-performance based contracts, the Contractor’s costs must be allocated pursuant to a plan that meets the requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR Part 200. Methods used to determine and assign costs shall conform to generally accepted accounting practices and shall be consistent with the method(s) used by the Contractor to determine costs for other operations or programs. Such accounting standards and practices shall be subject to approval of the State.
- For performance-based milestone contracts, or for the portion of the contract amount paid on a performance basis, the Contractor shall maintain documentation demonstrating that milestones were attained.

6. Fee for Service Reimbursement is based upon a rate established by the Contractor for a service or services rendered. Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable in accordance with the State Agency approved Schedule A: Claiming Requirements.

7. Rate Based Reimbursement is based upon an established rate per unit at defined intervals to be paid to the Contractor in accordance with the State Agency approved Schedule A: Claiming Requirements. Payment shall be limited to rate(s) established in the Contract and may be requested no more frequently than monthly.

8. Fifth Quarter Payments occur when there are scheduled payments and an expectation that services will be continued through renewals or subsequent contracts. Fifth quarter payment shall be paid to the Contractor at the conclusion of the final scheduled payment period of the preceding contract period. The State Agency shall generate a voucher in the fourth quarter of the current contract year to pay the scheduled payment for the next contract year.

9. If the Expenditure Based Budget is used in Attachment B-1 and the Expenditure Report is selected below, the Contractor shall submit, not later than the time period listed in the State Agency approved Schedule A: Claiming Requirements above, a detailed expenditure report, by object of expense. This report shall accompany the voucher submitted for such period.

Expenditure Report Required

### C. Refunds:

1. In the event that the Contractor must refund the State for Contract-related activities, including repayment of an advance or an audit disallowance, the refund must be made payable as set forth by the State Agency, must reference the contract number with its payment, and include a brief explanation of why the refund is being made.

2. If at the end or termination of the Contract there remains any unexpended balance of the monies advanced under the Contract in the possession of the Contractor, the Contractor shall make payment within forty-five (45) calendar days of the end or termination of the Contract. In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

### D. Progress Reporting Requirements:

If the State Agency determines that Work Plan Based Reporting is required to summarize the progress made on the performance measures established in the Contract, such reporting shall be made online as directed by the State Agency.

If Work Plan Based Reporting is not required, the Contractor shall comply with the following applicable provisions and the Contractor shall provide the State Agency with one or more of the following reports as required by the State Agency:

1. *Narrative/Qualitative Report*: The Contractor shall submit no later than the time period identified in Schedule B: Progress Reporting Requirements, below, a report, in narrative form, summarizing the services rendered during the quarter. 3. *Final Report*: The Contractor shall submit a final report as required by the Contract, not later than the time period listed in Schedule B: Progress Reporting Requirements, below, which reports on all aspects of the program and detailing how the use of funds were utilized in achieving the goals set forth in Attachment C (Work Plan).

4. *Consolidated Fiscal Report*: The Contractor shall submit a consolidated fiscal report, which includes a year-end cost report and final claim not later than the time period listed in Schedule B: Progress Reporting Requirements below.

**County Boards of Elections reimbursement program for actual expenses related to electronic poll books and associated software, on-demand ballot printers and related cyber security software.**

The New York State Capital Projects Budget authorized \$14.7 million for the reimbursement of eligible costs related to the purchase of electronic poll books. The Board of Elections has established a program to reimburse County Boards of Elections for actual expenses related to electronic poll books (E-Poll Books) and associated software, on-demand ballot printers and related cyber security.

A copy of such plan shall be sent to the director of the Division of Budget, the Senate Finance Committee, and the Assembly Ways and Means Committee.

This grant fund distribution program does not provide for the direct release of State funds to counties.

County Boards of Elections may submit a claim for payment, after the purchase of such products and services with county funds, for reimbursement of either some or all those costs, provided the purchases were reasonable, allowable and allocable. Substantial evidence must be included with each claim, and prior to the award of any reimbursement, all claims will be reviewed for the products' and/or services' compliance with the NYSBOE guidelines for allowable expenses. Reimbursement will be made for allowable costs which have not previously been claimed for reimbursement for the same expenses elsewhere.

To receive reimbursement, county Boards of Elections must complete and submit a claim for payment to the State Board of Elections. Forms to be completed are included in the claim for payment section of Attachment A-1.

**Attachment A-1**

<b>Purpose of Program</b>	Reimburse County Boards of Elections for local dollars spent to further implement the purchase of E-Poll Books and associated software, on-demand ballot printers and related cyber security software.
