Previous requests for Identical or Similar Action:

Resolution/Law Number: 211
Date of Adoption: 7/12/2021

Justification: (state briefly why legislative action is requested)

The Department for Aging is requesting legislative authorization to amend Resolution No.211, adopted 7/12/2021, approval for the following;

To accept the stimulus funding for III-C-2 Home Delivered Meals Program from New York State Office for Aging. This funding will provide additional needed home delivered meal services to older adults living in Albany County.

The home delivered meal program provides nutritious meals to the frail older adults who are incapacitated due to accident, illness or frailty or who have inadequate support from family or friends with food shopping or meal preparation. Home delivered meals are the most economical long-term care service and can often substitute for or delay the need for more extensive services. During the pandemic this past year, the program delivered over **201,490** nutritious meals to older adults that were in need of meals on a temporary or longer-term basis to maintain their health and remain independent within the community as well as serving older adults in Albany County that were able to receive nutritious meals during NYS executive order in response to the pandemic.

New York State Office For Aging has advised that there is a change in stimulus funding for Title III-C2 Home Delivered

Meal Program from 100% Federal Funded to 90% Federal Funded and 10% County Funded.
