Request for Bids / Proposals:

Competitive Bidding Exempt:      Yes  No   
# of Response(s):                      Enter text.  
# of MWBE:                              Enter text.  
# of Veteran Business:                Enter text.  
Bond Resolution No.:                    Enter text.  
Apprenticeship Program                Yes  No

Previous requests for Identical or Similar Action:  
Resolution/Law Number and Date:    Enter text.

**DESCRIPTION OF REQUEST:** (state briefly why legislative action is requested)

The Albany County Department of Public Works is requesting authorization to sell Recycled Asphalt Product (RAP), to any and all buyers at market value rate. Each year DPW recycles approximately 28,000 tons of millings during our annual Hauling and Placing highway maintenance project. DPW processes the raw millings to produce RAP, which we use for shoulder backup and backfill. We aim to generate revenue by selling surplus RAP at market price. The current fair market value for RAP ranges from eight dollars to twelve dollars (\$8.00 to \$12.00) per ton. We determined the fair market value based on discussions with a neighboring municipality who sells millings and research into national average costs. Market price will be re-evaluated on a yearly basis. Revenue from sale of RAP will be added to line D5110.02650/ Sale of Scrap Excess Materials.
