**Justification:** (state briefly why legislative action is requested)

Albany County DPW is requesting Legislative authorization to enter into an Agreement with the Town of Knox for the purpose of transferring a Cummins engine model ISM 350V bearing engine #35094462 (Engine) Manufactured on March 2004 to the Town of Knox. The engine is from a County owned International Dump Truck that has outlived its useful life and has become cost prohibitive for the County to maintain. The County used the truck as a donor vehicle for repairs on other County International Trucks. The County is in possession of the truck's engine, but no longer has this model vehicle in service, so we have no useful purpose for the engine.

The Town of Knox is in need of an engine for their 2007 International 7600 Dump Truck with Tenco Plow baring VIN#1HTWXAHT57J453273. The engine in their truck suffered a catastrophic failure and is inoperable.

We are requesting the Legislature's approval to enter into a mutually beneficial agreement whereby the County would transfer the engine to the Town of Knox for use in their 2007 International 7600 Dump Truck, in exchange for the Town making the truck available to haul material for the County as needed.
