Dear Chairwoman Cunningham:

The Department of Public Works is requesting the Legislature's approval to enter into an agreement with ACROW for the purchase of the existing 140 foot long Acrow Panel Bridge located on the Albany County Rail Trail over State Route 85, in the amount of \$338,000.00, as well as one (1) Bi-Annual inspection, in the amount of \$5,000.00, for a contract total of \$343,000.00.

DPW issued an RFB requesting quotes for the following bridge options; a galvanized bolted truss, a welded pratt truss, a welded modified bowstring truss and an "Optional Bridge Structure." ACROW was the sole bidder for the "Optional Bridge Structure."

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo
