Re: SEQRA
Depot Relocation and Parking Expansion

Dear Laura DeGaetano:

Thank you for continuing to request the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the submitted documents under the State Environmental Quality Review Act (SEQRA) as requested. These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

We have reviewed the submitted relocation and foundation plans for the Slingerlands Train Station Baggage Building (Depot). Based on this review it is our opinion that the work will be appropriate and will meet the Secretary of the Interior Standards for the Treatment of Historic Properties.

If you have any questions, I can be reached via email or at (518) 268-2164.

Sincerely,

A handwritten signature in black ink, appearing to read "Weston Davey".
