The Department for Aging is requesting legislative authorization to amend Resolution No.213, adopted 7/12/2021, approval for the following;

To accept the stimulus funding for Title III-E Elder Caregiver Support Program from the New York State Office for Aging. During the past contract year the Albany County Department for Aging provided caregivers and care receivers 60 years of age or older with assistance through the III-E Caregiver Support Programs. The program assists caregivers (spouses, adult children, grandchildren, friends, and neighbors) in their efforts to care for older adults in their homes in the community. The goal is to provide caregivers support based on their circumstances and needs. The caregiver supportive services include; information and assistance, educational training programs, counseling, support groups, social and medical adult day programs, in home respite, personal emergency response (PERS) and assisted transportation.
