Justification: (state briefly why legislative action is requested)

The purpose of updating the Albany County Multi-Jurisdictional Hazard Mitigation Plan is to provide Albany County and its encompassing jurisdictions with an all-hazard mitigation plan that meets the requirements and approval of the Federal Emergency Management Agency (FEMA) and the New York State Division of Homeland Security and Emergency Services (DHSES), so as to ensure and demonstrate the jurisdictions' commitment to identify and reduce risks from natural and other hazards, serving as a guide for decision-makers as they commit resources to reduce the effects of natural hazards. The Disaster Mitigation Act of 2000 requires that all local governments adopt an approved All-Hazard Mitigation Plan to be eligible to receive future hazard mitigation grant funding.
