Dear Chairwoman Cunningham,

The Albany County Water Purification District (District) is requesting contract authorization with Waste Connections for the continued discharge of leachate from the SA Dunn Landfill located at 315 Partition Street Ext, Rensselaer, NY to the District's North Plant.

The contract term will be for two (2) years with three (3) optional consecutive one (1) year renewals. The contract term is set to run from March 1, 2026 to February 28, 2028. Waste Connections agrees to pay the District an annual fee of \$25,000, paid quarterly, plus a disposal fee of 03/100 dollars (\$0.03) per gallon of leachate discharged to the District. The total annual revenue is estimated to be \$175,000.

Sincerely,

Angelo Gaudio, P.E.
