Re: **RFB #2023-149– MVP Arena Upper Seating Replacement Project; General Construction (GC)**

Recommendation for Award to Nickerson NY, LLC

Commissioner Latina,

As you are aware, Delta Engineers, Architects & Surveyors, has developed construction documents and along with the Albany County Facilities Engineering Division and Purchasing Division, developed a Request for Bid (RFB) and solicited bid prices for the **General Construction** associated with the **Upper Seating Replacement Project located at the MVP Arena**. A Bid has been received and reviewed for conformance with the bid documents.

A complete tabulation of the **General Construction** Bid is attached for your use. After review of the quote that was submitted, the Facilities Engineering Division recommends you proceed with a request for contract approval of the lowest responsive bidder, **Nickerson NY, LLC** at a cost of **\$3,644,131.70**, which includes a Contingency Allowance.

If you have any questions regarding this project, I can be reached at 447-7032.

Thank you
