Resolution/Law Number and Date: Res. No. 12 of 2023

DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

The Department of Public Works respectfully requests the Legislature’s approval of the proposed budget amendment to re-appropriate \$80,000.00 for installation of a Quiet Zone in the Village of Voorheesville. The main purpose of the Quiet Zone is to reduce noise pollution where train crossings are near residential neighborhoods (Voorheesville Ave. & Main St.). The railroad crossing will have additional safety measures in place such as upgraded gates and flashing lights to make sure it’s still safe without the train horn sounding. Quiet Zones aim to strike a balance between the safety of people near the crossing and the need to minimize noise.
