Honorable Andrew Joyce Legislative Clerk's Office 112 State Street, Room 710 Albany, New York 12207

Dear Chairman Joyce:

The attached correspondence is forwarded for presentation to the Albany County Legislature.

Legislative approval is required in order to allow the Albany County Sheriff's Office to enter into a contract with the New York State Department of Agriculture and Markets to accept and spend funding for the 2023 New York State Companion Animal Capital Fund Grant Program award.

The award amount for Albany County is \$500,000.00 with a match requirement of 25% of the project cost or \$186,309.00.

These funds will be used towards the creation of the Law Enforcement Aiding Animals Shelter (LEASH) in partnership with the Mohawk-Hudson Humane Society to be located on the grounds of the Albany County Correctional Facility and Rehabilitative Services Center. This will serve as an auxiliary shelter for the Humane Society which has already exceeded its capacity and ensure a safe, healthy environment is afforded to animals brought in by municipalities. This need is made more pressing by a rise in intakes and cruelty cases in the surrounding municipalities.

Should there be any questions, do not hesitate to call.

Sincerely

raig/D. Apple, Sr.

Albany County Sheriff's Office C/O Samantha Pruner 112 State Street Albany, NY 12207

Dear Ms. Pruner

I am pleased to inform you that the New York State Department of Agriculture and Markets has approved your grant application for the New York State Companion Animal Capital Fund Grant Program. We are awarding you the sum of \$500,000.00 for your project titled "Law enforcement Aiding Animals Shelter (LEASH)".

The New York State Companion Animal fund was created to help animal shelters to make infrastructural improvements that better the daily lives of the dogs and cats in their care. Your project was selected because we believe it aligns with this mission and the proposal criteria.

We are working on developing the contract, which will be sent to you for review and signature.

<u>Please note</u>: Contract expenditures that occur prior to the approval of the contract by the State Comptroller will not be reimbursed. Therefore, we advise that you do not incur any expenditures for which state re-imbursement will be sought until the contract is approved and executed.

We are delighted with your participation in this program and look forward to working with you and seeing your project progress.

Sincerely,

Richard A Ball Commissioner
