Re: MVP Arena Bond Resolution – Main Arena Sound System C1801

Dear Chairwoman Cunningham:

The MVP Arena respectfully requests approval of a bond resolution authorizing \$5,850,000 For MVP Arena – For the design and installation of a new sound system inside the MVP Arena.

The existing system has been maintained for over 30 years. It has been maintained and still operates, but the sound quality is failing. The components are outdated and difficult to replace. There are few assisted listening devices active.

This project is included within the current Capital Plan – Main Arena Sound System C1801.

If you should have any further questions, please do not hesitate to contact me.

Sincerely,

Robert Belber
General Manager
