Re: Raise the Age Enhanced Case Management and Community Support

Dear Chairman Joyce:

Enclosed is a request for Legislative Action for permission to enter into a Raise the Age Contract with Northern Rivers. RFP #2021 was awarded to Northern Rivers after proposals were submitted and a through evaluation was performed.

The program will be designed to provide enhanced case management services to Raise the Age population, while incorporating the use of parent advocates and community coaches/credible messengers. These individuals will be members of the community with real life experiences that will be helpful in assisting youth and families navigate the juvenile justice system, all of which will be under the supervision and guidance of a case manager. Service will include mentoring, transportation, skill building, parental support/education, housing assistance and vocational/educational advocacy. Northern Rivers will work closely with the Probation Department responding to each youth's individual needs.

This program will be funded through Raise the Age reimbursement with no cost to the County. It is estimated to be \$200,000 and will serve up to 50 families a year at the Probation Department. The cost per child will be \$4000. It is anticipated that each youth will remain in the program on an average 90-120 days.

It is respectfully requested this be considered. If you have any questions or need additional information, please do not hesitate to contact me directly at (518) 487-5194.

Sincerely,

William Connors
Probation Director
