EXHIBIT 1

Service Provision Responsibility

Under this Agreement, the Provider will provide residential care for eligible individuals and families under this Agreement, as follows:

I. Service Definition - Residential care will be provided to women, pregnant women and women with children, age nine and younger, through an OASAS-certified Specialized Community Residence for Women, Pregnant Women and Women with Children.

II. Eligible Persons - Eligibility for admission shall be consistent with NYS regulations for the operation and certification of community residences. Persons admitted must demonstrate eligibility for temporary assistance through Albany County in order for the Department to provide reimbursement under the terms of this Agreement.

III. Service Provision - The Provider will maintain and operate the facility in a manner that assures compliance with all applicable statutes, regulations, codes and ordinances. The Provider certifies that it is a NYS OASAS-certified Community Residence, and will maintain full compliance with all related laws and regulations. In the event that the Provider should fail to maintain NYS OASAS certification as a Community Residence, this Agreement shall terminate immediately according to the termination provisions of this Agreement. It will be the Provider's responsibility to immediately notify the Department of any such change in its certification status.

In addition to services provided under OASAS regulations to the adult residents, the Provider agrees to provide room, board and related services to minor children in residence at the facility, consistent with the attached program and budget proposal.

IV. Bed Capacity - The Provider shall not admit or retain a number of persons in excess of 21 adults and their children. If a change in capacity is approved by NYS OASAS, the Provider agrees to notify the Department of such, in writing, within 30 days.

V. Location of Services - The Provider will provide the agreed services only at the following location:

890 Madison Avenue
Albany, NY 12208

The provision of services at any other location(s) will not be paid for under this Agreement, unless the Department's prior written approval has been secured, and attached as an amendment to this Agreement.

VI. Other - The Provider agrees to cooperate with the Department in the development of procedures and communication protocols for implementation of State regulations pertaining to temporary assistance-eligible residents of OASAS-certified Community Residences.

EXHIBIT 2

Reimbursement and Reporting

I. Billing and Reimbursement - The Department will reimburse the Provider for expenses incurred according to the following.

A. Eligibility

1. The Department will reimburse the Provider for shelter stays of individuals who have established eligibility under the appropriate temporary assistance programs.
2. Eligibility determinations, reimbursements, and payment of benefits to the recipient will be made in compliance with current federal and State regulations.
3. Reimbursement will be provided from the date that initial eligibility is established. However, in the instance that admission occurs on an emergency basis during Department non-working hours, or after 3 p.m. on a working day, the Department will provide reimbursement retroactive to the date of admission, provided that eligibility is established on the next working day.
4. Reimbursement will be provided only for dates of stay where an individual is actually present overnight at the facility. Overnight absences are not reimbursable under temporary assistance regulations, and must not be included on bills submitted to the Department, unless case-specific approval has been obtained from the Department. Note that the Department's routine authorization process for a period of shelter stay is not sufficient for these purposes.
5. The Department will indicate the results of its initial eligibility determination on a designated form, and will provide same to the resident. This form will include an indication of acceptance or denial, as well as the per diem rate to be paid. In the instance that a resident has an alternate source(s) of income, yet is still entitled to partial assistance, the Department will provide reimbursement to the Provider in the appropriate pro-rated amount. The Provider will be fully responsible for collection of any remaining amount directly from the resident.
6. Should an applicant be determined ineligible at the time of the initial interview, the Department shall not be held responsible for any portion of the shelter stay. In the instance that ineligibility is determined subsequent to the initial interview, the Department will assume payment responsibility up to the date ineligibility is established.
7. In the event that an inter-jurisdictional dispute arises, the Department will provide reimbursement for the resident's stay, provided that the individual has made application to the Department and meets all eligibility requirements.

B. Reimbursement

1. The Provider will bill the Department for each resident determined eligible for reimbursement by the Department, and will send such to the designated temporary assistance contact person. The bill will include the name of each resident, social security or TA case numbers, and the actual dates of shelter stay charged. A copy of the Department's authorization(s) for the billed dates should also be attached. Each bill must be signed by the Provider, with such signature being considered to attest to the validity of the claim.
2. Following receipt of the bill, the Department will generate a voucher to the Provider, to be reviewed for accuracy, signed and returned to the Department's Accounting Division. Payment will be generated upon receipt of the signed voucher.

II. Fiscal Reporting

1. As a condition of the execution of this Agreement, the Provider must submit to the Department a proposed facility budget for the contract year, specifying projections of all income and expenditures, as well as a report of actual income and expenditures for the previous contract year.
2. The Provider agrees to provide the Department with a copy of its annual fiscal audit.
