Dear Chairwoman Cunningham:

The Albany County Department of Health (ACDOH) requests authorization to enter into a contract with Cornell Cooperative Extension (CCE) for Lead Abatement Worker and Lead Abatement Supervisor training. ACDOH is working with CCE to help provide an ongoing workforce to meet the increasing workload presented by the NYS Lead Rental Registry. CCE will provide 14 Abatement Worker courses for a total cost of \$39,200 to landlords, contractors or whoever may need to be certified to perform lead-based paint abatement. CCE will also provide 12 Abatement Supervisor courses at a total cost of \$48,000. These trainings will be funded via the Lead Rental Registry program.

Please don't hesitate to contact me if you have any questions or need additional information.

Sincerely,

Maribeth Miller, BSN, MS
Interim Commissioner of Health
