Justification: (state briefly why legislative action is requested)

Albany County Department of Public Works is requesting authorization to amend the Albany County Planning Board's (ACPB) list of Non-Referral items. Non referral items are those that are within the purview of Albany County Planning Board review, but are historically deferred for local consideration. Examples of proposed new non-referral items include (the entire list is included in the backup information new items are in italics):

EV charging stations

Fences (unless it is a corner lot, which could cause site distance issues)

New sign proposals or a change in square footage of existing signs that are wall/building mounted

Adding these items to the non-referral list would allow the Board to spend extra time on projects that have County-wide impact, and would reduce the review timeframe for the applicant by one month.
