Good afternoon Director Abramson,

I hope all is well. I've attached Albany County and the City of Albany's joint FY2022 SHSP/SLETPP application for review. Additionally, I'm attaching the completed and signed SHSP Priorities and Preparedness Objectives Certification form. The total combined application is for \$936,832.

I believe Lt. Carnevali will be sharing a consensus letter on behalf of the former Albany-Schenectady-Troy UAWG detailing the collaborative approach the region takes in developing its proposals. To reiterate, should the proposals be accepted, Albany County will require three contracts under SHSP/SLETPP (total for Albany County: \$635,472): 1) for the Albany County Department of Health (\$339,450); 2) for the Division of Information Services (\$176,022); and 3) for the Albany County Sheriff's Office (\$120,000). Additionally, the City of Albany will require one contract under SHSP/SLETPP in the amount of \$301,360 for the Albany Police Department.

Please don't hesitate to reach out with any questions. Thank you in advance for your consideration of our application.

Best,

Patrick Alderson
