**Amendment(s):** 2024-2028 - Amended to clarify scope and increase funding needs.

This project will address the long term improvements to any / all County owned and operated facilities. Improvements will include, but not limited to, various upgrades such as mechanicals, HVAC, chillers, electrical, roofs, painting/carpeting, energy management systems, department moving & relocation costs, and engineering, structural, & property evaluations. NOTE: this project replaces several projects including, but not limited to, the County Office Building project, Facility Improvement Project, and the Office Modernization Project. These projects will generally have a useful life of 15 – 20 years.
