COMMISSIONER

SCOTT D. DUNCAN  
DEPUTY COMMISSIONER

March 15, 2022

Hon. Andrew Joyce, Chairman  
Albany County Legislature  
112 State Street, Rm. 710  
Albany, NY 12207

Dear Chairman Joyce:

The Department of Public Works is requesting the Legislature's approval to enter into an agreement with Sprint, in an amount not to exceed \$250,000.00, for the relocation of their fiber optic line that is buried along the length of the Albany County Rail Trail Bridge over New Scotland Road (SR 85).

The fiber line will be temporarily relocated by Sprint onto utility poles this fall, in anticipation of spring 2023 bridge construction. Once the new bridge is constructed, Sprint will secure the fiber line to the outside of the new structure.

The relocation costs will be paid for with bond money tied to construction of the new Rail Trail Bridge project.

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo  
Commissioner
