Justification: (state briefly why legislative action is requested)

The Office of the County Executive is requesting authorization to enter into an agreement with Mobility Development Operations, LLC to allow MDO to access one parking spot and charging station in the County's 260 South Pearl Street parking lot. MDO is the company selected by the Capital District Transportation Authority to operate an electric vehicle car-share program in the Capital Region. The County worked with CDTA to identify a location that would expand access to electric vehicles in Albany County. The County will also have the ability to utilize the vehicle for municipal purposes when it is available.
