May 6th, 2024

Honorable Joanne Cunningham, Chairman
Albany County Legislature
112 State Street, Room 710
Albany, New York 12207

Dear Chairwoman Joyce:

The Office of the Albany County Executive is requesting permission to apply for and enter into a contract to receive grant funding through the New York State Energy and Research Development Authority's (NYSERDA) Clean Energy Communities Program. The County will use this funding to purchase and install electric vehicle charging stations at several different County facility locations. This project will aid in the County's effort to fully electrify the County fleet by 2030 as well as continue to build out EV infrastructure in the County.

The County is eligible for this funding through the completion of action items in the Clean Energy Communities Program and is currently eligible for \$125,000.

If you should have any questions, please do not hesitate to contact me.

Sincerely

Daniel P. McCoy
Albany County Executive
