Apprenticeship Program Yes No

Previous requests for Identical or Similar Action:

Resolution/Law Number and Date: Enter text.

DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

The Department of Public Works is requesting the Legislature's approval to enter into an agreement with James H. Maloy, Inc. for construction of the CR405 (Sunset Hill Road) over Eight Mile Creek Culvert Project. The site is approximately one-half mile east of the CR405 and CR402 intersection in the Town of Westerlo. This project consists of removal of the existing corrugated steel pipes, installation of steel H-piles and precast concrete three-sided units and cold in place concrete wingwalls. This project also includes installation of steel box beam guiderail and minor approach work. The County Purchasing Agent received six (6) bids for this project. Our hired consultant reviewed the bids and recommended the award of this contract to the low bidder James H. Maloy, Inc. for a total contract amount not to exceed \$808,000.00.
