**Justification:** (state briefly why legislative action is requested)

The Albany County Water Purification District (District) is requesting Resolution No. 524 of 2019 be amended to reflect the language of Resolution No. 376 as adopted on 10/14/14 as it pertains to the contract fee and term for leachate treatment from the Capital Region Landfills, Inc (Landfill). The agreement between the District and Landfill is for a five year term with an annual fee of \$25,000 plus a treatment rate of one cent per gallon which is to be invoiced monthly commencing January 1, 2020 and ending December 31, 2025. The current resolution will need to be amended to reflect this arrangement.
