Probation - Contract ratification

Hello and good afternoon, everyone.

I wanted to let you all know that the members of PEF Division 502, Albany County Probation, ratified the tentative agreement today. I wanted to let you know to note today's date of 4/6/2023 as the date of ratification, and ask the County to take the affirmative steps needed to get Legislative approval and implementation as soon as possible. I understand that this process does take some time, but if the County would please keep me abreast of the process as it plays out and keep me updated on expected timelines, that would be very much appreciated.

Thank you all for working together on this to get this contract done.

Best, Shaun
