Re: Vacant Lot at 1168 Broadway, Albany

As per several conversations and written correspondence with various members in the County Executive Office.

I write to request the purchase of the above lot.

I am prepared to pay \$1600 to acquire this vacant Lot.

I live next door to property and have maintained the property over the years with no assistance from City personal.

The plans for this property is to pave and extend my back yard and off street parking. Which is very scarce as we are aware; this area is upcoming via. Businesses, housing and community.

Off street parking will allow parking space for visitors to area for business and/or pleasure to have closer parking to their destination.

I have lived in this area; same building for over 30 years. Before the demolition; I took care of the property at 1168 mowing and cutting tall weeds; that I believe was a safety concerns as the building was not totally secure to keep out vagrants.

Thank you for your attention to this matter!

I look forward to a resolve at your earliest convenience.

Respectfully,  
Michael Griffin
