**Justification:** (state briefly why legislative action is requested)

The MVP Arena respectfully requests approval of a bond resolution authorizing \$250,000 for the Concourse and flooring projects. The following investment will assist in keeping the facility looking up to the standards expected. A walk-in cooler installation on the concourse is also included in this project in order to restock the concession stands faster and increase sales.

The concourse entrance from the MVP Arena garage could be utilized as a revenue generating event space. We are looking to add a cooler to the concourse level for concessions to restock the stands quicker. The stairs going from the concourse level to the bathroom lobbies are the only flooring area that has not been refinished and we are looking to have completed. Refinishing the kitchen floor will also be included in this project.

This project has been included in the 2023 Capital Plan.
