Dear Chairwoman Cunningham:

Shaker Place Rehabilitation and Nursing Center respectfully requests funding authorization for the High-Rise Infrastructure and Floor Remodeling capital project in the amount \$5,000,000 for 2026. The High-Rise Infrastructure and Floor Remodeling capital project is part of the Albany County 2026 – 2030 Capital Plan adopted per Resolution 229 of 2025.

The project will be to retrofit the High-Rise floors of Shaker Place to a usable form. The project for 2026 will convert the vacant second floor (2HR) into usable space for a nurse aide training program classroom, office space, additional storage (including space for emergency supplies required by the New York State Department of Health) and employee fitness center. The project includes upgrades to the over 50 year old infrastructure currently in the High-Rise.

If any additional information is required, please do not hesitate to contact me.

Sincerely,

Mark S. Olsen
Executive Director
