Dear Chairman Joyce:

Shaker Place respectfully requests to permit Shaker Place Rehabilitation and Nursing Center to interview and retain staff who do not reside in Albany County, as needed, in the Nursing department.

We have diligently sought qualified applicants for the positions of Registered Nurse, Licensed Practical Nurse and Certified Nursing Assistant for full-time, part-time and per diem and have been unable to locate a sufficient number of qualified applicants who resident in the County of Albany. We are, therefore, requesting to be permitted to continue to hire nursing personnel in all categories who may not live in our County.

We respectfully request to be permitted to hire nursing personnel who do not reside in the County of Albany. It should be noted that we will continue to secure required nursing personnel who reside in the County of Albany.

Thank you for your consideration.

Sincerely,

Larry I. Slatky
