COMMISSIONER

SCOTT D. DUNCAN  
DEPUTY COMMISSIONER

November 20, 2025

Dear Chairwoman Cunningham:

The Department of Public Works is requesting the Legislature's approval to enter into an agreement with Lamont Engineers for the Architectural Design, Construction Administration and Construction Management Services for a new highway garage facility at our Westerlo subdivision.

The County received eleven (11) proposals. DPW staff reviewed the proposals and recommend the award to Lamont Engineers, the firm that scored highest based on the weighted average of proposer's comprehension of required work, prior experience in similar building construction projects, professional qualifications, proposed price and client references. The total contract amount is \$264,000.00.

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo  
Commissioner
