Re: Contract Authorization

Dear Chairman Joyce:

The Department of General Services requests authorization to extend the term of Resolution No. 487 of 2020 adopted December 7, 2020 associated with Resolution No. 143 of 2018 adopted April 9, 2018 with CT Male Associates Engineering, Surveying, Architecture, Landscaping Architecture and Geology, D.P.C. for Professional Architectural and Engineering Services for various Albany County projects.

The original term was May 1, 2018 through April 30, 2020 with a renewal term of May 1, 2020 through April 30, 2021. The Times Union Garage Remediation and Repair Project is the only remaining project authorized under this agreement. This extension request is to allow CT Male Associates to complete contractual services as previously authorized for this project. All costs associated with services provided during this extension are included with-in the original agreement.

The proposed term of this extension will commence on May 1, 2021 through September 1, 2022. This extension includes all rates and pricing described in the original Proposal and is subject to the terms and conditions of the agreement.

Any outstanding cost of these services will be covered under bond number HKUY.

If you should have any questions, please do not hesitate to contact me.

Sincerely yours,

David M. Latina
