Albany County Legislature

Dear Chairwoman Cunningham:

The Albany County Department of Health (ACDOH) requests authorization to purchase Tyler Technologies' Environmental Health Module. This module will assist ACDOH's Environmental Health division by integrating various workflows related to inspections, permits, and compliance monitoring. Tyler Technologies is the sole source for this software and it will integrate with Munis, the County's current Enterprise Resource Planning (ERP) software.

Please don't hesitate to contact me if you have any questions or need additional information.

Sincerely,

Maribeth Miller, BSN, MS
Interim Commissioner of Health
