DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

The Albany County Department of Health (ACDOH) is requesting a one-year contract extension for the Leading in Lead Prevention Pilot Program, originally awarded for the 2024-2026 cycle. This is the first round of funding for a newly established program. An extension of the contract term will ensure adequate time for projects to be completed. ACDOH is requesting approval to amend our contract to the new end date of March 31, 2027.
