Use of Funds

Consistent with the full scope of applicable grant regulations (45 C.F.R. 75.322), the purpose of this award, and the underlying funding, the recipient is expected to provide to CDC copies of and/or access to COVID-19 data collected with these funds. CDC will specify in further guidance and directives what is encompassed by this requirement.

This award is contingent upon agreement by the recipient to comply with existing and future guidance from the HHS Secretary regarding control of the spread of COVID-19.

COVID-19 Response Allowable Costs

Updated 3/17/20

This is a list of allowable COVID-19 costs which LHDs have been frequently asking about.

Allowable Costs

- The funds are to support public health.
 - Funds can be used for new staff or increased effort for existing staff. County public health funded staff effort should already be covered by the county budget although overtime can be charged to the COVID-19 funds. Any public health staff, not covered by the county budget, supported by other federal awards, where the COVID-19 activities are not in scope, can be temporarily reassigned to these funds to support normal and OT effort.
- Funds can be used to reimburse Sheriff's office if the costs for serving I/Q warrants are above and beyond what would normally be incurred.
- · Hourly temporary agency staff
- Hotel rental for I/Q
 - o This can be for the person under investigation (PUI), or the PUI's family members.
 - Air B&Bs and other lodging is allowable as long as an invoice and proof of payment can be provided.
 - Costs must be at the government rate.
- Monitoring kits that include thermometers, hand sanitizer, tissue, sanitizing wipes for quarantined individuals
- Translation of materials / translators
- Pre-paid phones to be used by an individual under quarantine and monitoring, for daily contact with their local health department (LHD), would be allowed under your PHEP contract funds. At the end of the guarantine period, the phone MUST be taken back by the LHD.
- Respirators
- Mileage for I/Q monitoring
