LEGAL EXPERIENCE

Rensselaer County District Attorney's Office, Troy, NY

Assistant District Attorney, July 2025-present

New York Supreme Court, Appellate Division, Third Department, Albany, NY

Appellate Court Attorney, Law Research Department, August 2023-July 2025

Research and draft bench reports on appeals covering all areas of state law, including criminal law, family law, administrative law, tort law, and contract law; edit the court's opinions on such cases; and conduct ad hoc research. I completed 102 reports — the most of any of my colleagues. 36 of those reports involved the most complex legal issues facing the Court, with records on appeal often exceeding 2000 pages; again, this exceeded the output of my colleagues, with the next closest colleague completing 26 such reports. In my time with the Court, I worked on about 25% of cases marked as opinions — those decisions which the Court considers to be precedent setting.

Honorable Madeline Singas, New York Court of Appeals, Mineola, NY

Judicial Extern, January 2023-April 2023

Reviewed and researched criminal and civil motions for leave to appeal and drafted recommendation memoranda for Judge Singas and conducted ad hoc research projects.

Arraigned cases; drafted responses to defense motion briefs, including motions to compel discovery and motions to dismiss indictments; investigated rape and sexual abuse cases by searching for discovery, reviewing jail calls, and reviewing interrogation recordings; and researched issues relating to criminal procedure, evidence, housing, and the charging of different sex crimes, theft crimes, and domestic violence felonies.
