DEPUTY COMMISSIONER

December 9, 2022

Hon. Andrew Joyce, Chairman
Albany County Legislature
112 State Street, Rm. 710
Albany, NY 12207

Dear Chairman Joyce:

The Department of Public Works is requesting the Legislature's approval to amend our 2022 Budget by transferring \$569,900.00 from Bridge & Road Repair D5112.4075 to Specialty Equipment D5112.2080, for the purchase of one (1) Ranger I32 Horizontal Shaft Impactor from Tracey Road Equipment, the low bidder on RFB #2022-126.

The Horizontal Shaft Impactor will be used to crush and screen millings from County Roads. The screened millings will be repurposed as shoulder backup material, which will eliminate the need to purchase costly crusher run. The Impactor will also be used to screen ditch material into usable material for County Projects. This purchase will be 100% State funded with CHIPS money.

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo
Commissioner
