Justification: (state briefly why legislative action is requested)

Shaker Heritage Society requests authorization to apply for grant funding from the Community Foundation Impact Grant Fund. Funds from this grant will be applied towards the cost installing a historically-appropriate and accessible bluestone walkway on the property. The new path will replace a non-historic, degraded asphalt and gravel path on the property. The design will meet ADA requirements of a minimum width of 36", and the stone will be set in concrete for enhanced durability and stability.
