Resolution/Law Number: 189
Date of Adoption: May 13, 2019

Justification: (state briefly why legislative action is requested)

ACDOH requests to renew its contract for the Expanded Partner Services program. The purpose of this initiative is to improve the provision of HIV prevention and care services within Albany County and to better serve people living with HIV and AIDS. ACDOH is given this funding every year and does not have to apply for it. The County will facilitate the re-engagement in medical care of persons thought to be out-of-care living with HIV/AIDS, notify, test partners and refer all HIV positive and high-risk negative patients they encounter to appropriate prevention, care and support services. Case assignments will come from the New York Electronic HIV Management System (NYEHMS)/Communicable Disease Electronic Surveillance System (CDESS).
