Use the below space or attach additional sheets to indicate how your ownership and development of this property will benefit the community (attach additional supporting material as needed):

The property has been in ruins for 10 plus years. It will no longer be the eye sore that it is today.

It is very very close/on Morris Rd, around a blind bend - turn. The property is a very small lot. No turn around space. My business is next to this property so it will be easy to maintain.

I will look to renovate the property for rental usage or use the property to enhance the square footage as office space for business if town allows.
