EXHIBIT "A"

Consultant's Cost Proposal

Over the past five (5) years, there has been increased scrutiny of tax-exempt financings by IRS and SEC officials. We continue to monitor these actions and advise the County when necessary.

If retained by the County pursuant to this RFP, we would suggest scheduling a meeting with the appropriate staff to continue the process of transitioning various bond procedures.

A simple and very cost effective suggestion regarding process that we would offer to the County is that under the Local Finance Law in order to comply with the Section 81.00 estoppel procedures, the County is obligated to undertake certain publications following the adoption of a bond resolution. The history of the County is to publish the full bond resolution in the official newspapers of the County. Under the Local Finance Law, the County needs only to publish a summary of the resolution, thereby saving publication costs. We would be happy to discuss this alternative in more detail with staff.

SECTION V. COST PROPOSAL SECTION

a. Submit a cost proposal for the services described in Section 4, Scope of Services, and on the Cost Proposal Form invadad herein. (Questions 6.2.1, 6.2.2, 6.2.3)

As to the matter of our fees, it is customary for the Firm to reach an agreement with our clients as to the fees applicable to various services for which we are retained prior to performing such services. The amount of our fees is dependent on, among other things, our fee structure, the amount of time and effort it would take to complete the transaction, the amount of responsibility assumed by us, and the complexities and number of parties to the transaction. For example, the use of credit enhancement, whether in the form of a letter of credit or bond insurance, will affect the complexity of the financing. We are prepared to offer the County three (3) alternative fee arrangements for bond counsel services. In addition, we are willing to discuss with the County any alternative mutually agreeable formula for the payment of services.

Hourly Billing Basis

As is traditional for law firms, we have established a system of hourly charges which are posted to each client account for internal control purposes. Different billing rates are assigned to each member of the professional staff (including paraprofessionals). These rates are adjusted from time to time in order to give effect to changes in experience and responsibility.

The current standard rates for the individuals expected to be assigned to the County are described as follows:

<u>Attorney</u>	<u>Standard Hourly Rate</u>
A. Joseph Scott, III	\$490.00
John A. Alessi	\$330.00
Marla Waiss	\$390.00
Michael T. Logan	\$290.00

<u>Paralegal</u>	<u>Standard Hourly Rate</u>
Pamella D. Weisberg	\$220.00

As described in the section of this Proposal entitled Project Team, we would expect a team approach of Mr. Scott, Mr. Alessi, Ms. Waiss and Mr. Logan to be the attorneys assigned to the County.

Ms. Weisberg would also be part of the Project Team and available to assist in providing services to the County.

We will offer the County two (2) hourly fee options. If the County was to select one of the hourly fee options, we would provide the County with detailed monthly accounting reports showing the amount of charges posted to the County's account and a description of services performed. Bills for both services and expenses would be delivered when the obligations are issued. The Project Team would be responsible to keep the County informed of the amount of charges posted to the County account.

The discounted hourly fee options we are prepared to offer to the County are as follows:

Option One. Hourly based on Blended Rate. While the above table sets forth our standard current hourly rates, we have also utilized and are willing to utilize, at the option of the County, a blended rate or rates for all attorneys. We propose a single blended rate of \$375/hr for all attorneys, including senior partners and junior partners. We fully expect the proportion of senior partners' time invested in this engagement to be substantial and this rate represents a discount of partners' normal billing rates. This proposed blended rate would increase during the term of the engagement as follows:

Year 1:	\$395.00 / hr.
Year 2:	\$415.00 / hr.
Year 3:	\$425.00 / hr.
Year 4:	\$440.00 / hr.

Option Two. Hourly based on Discounted Rate. Another variation from our standard rates listed above, which we are willing to utilize, would be negotiated discounted rates for attorneys' and paralegals' time. The Firm would be compensated on an hourly discounted basis for all attorneys' and paralegals' services. We propose a discounted rate of 10% of our standard billing rates. Our standard billing rates would be subject to normal adjustment during the term of our engagement.

Fixed Fee Basis

A primary objective of the Firm in connection with the services which we perform as bond counsel is to provide issuers with a reasonable degree of certainty as to the expected fee for an issue. We understand the importance to the County of having a reasonable degree of certainty as to the fee for its financings. Accordingly, we are also prepared to offer the County a fixed fee arrangement for the proposed bond and note issues based on the amount of bonds and notes issued.

The fixed fee arrangements described below are based on several assumptions. These assumptions include that the Firm will not be responsible for legal work involving real estate and environmental issues. The additional assumption is that, except as hereafter provided, our duties as bond counsel to the County would consist of the tasks described in Sections 4.1, 4.2, 4.3, 4.4, 4.5, 4.6 and 4.7 of the County's Request for Proposal. Our fixed fee arrangement would not include the preparation of disclosure material (e.g., an official statement) or the rendering of advice and opinions regarding extensive or unusual arbitrage, rebate or other tax issues. Our fixed fee arrangement would include the review of disclosure material (e.g., an official statement) and the rendering of advice and opinions regarding arbitrage, rebate or other tax issues that customarily or typically arise in the course of a typical municipal finance transaction. We would propose to bill for any such additional services at our normal hourly rates. We would in all cases discuss with you any extraordinary services to be performed by us prior to our performing them. The fixed fee schedule described below would remain unchanged during the term of our engagement.

2010

The fixed fee option we are prepared to offer to the County is as follows:

- Fees for preparation of bond authorization resolutions:

No charge

- Fees for Bond Anticipation Note issue ("BANs"):

\$0 - Base Fee
 \$.50 - for each issue of BANs \$1,000 principal amount up to \$3,999,999
 \$.40 - per \$1,000 on each issue of BANs \$4,000,000 principal amount and above

No minimum fee

- Fees for Tax Anticipation Note ("TAN's") and Revenue Anticipation Note ("RANs") issues:

\$0 - Base Fee
 \$.60 - for each issue of TANs/RANs \$1,000 principal amount up to \$3,999,999
 \$.50 - per \$1,000 on each issue of TANs/RANs \$4,000,000 principal amount and above

No minimum fee

- Fees for each Serial Bond issue ("Bonds")¹:

\$0 - Base Fee	
First \$4,999,000 ⁹⁹⁹	\$1.00 per thousand
Amount from \$5,000,000 to \$5,999,000 ⁹⁹⁹	.50 per thousand
Amount over \$6,000,000	.40 per thousand

No minimum fee

- Fees for each Refunding Bond issue ("Refunding Bonds"):

\$15,000 Base Fee	
First \$4,999,000 ⁹⁹⁹	\$1.00 per thousand
Amount from \$5,000,000 to \$5,999,000 ⁹⁹⁹	.50 per thousand
Amount over \$6,000,000	.40 per thousand

No minimum fee

Additional Charge for EFC Financings

In connection with any water or sewer infrastructure project, Albany County may consider financing the project by participation in financing programs offered by the New York State

¹ Please note that this fee schedule represents no change in our current fee schedule (despite the general increase in costs throughout the legal industry), and represents a significant discount under our original fee arrangement (provided in 2002).

Environmental Facilities Corporation ("EFC"). If the County was to finance any capital project with EFC, our fees would be increased to reflect the additional work related to the EFC financing program. Our additional fees would be determined based on our normal hourly rates. We would agree to cap our additional legal fees for services as Bond Counsel to \$7,500.

Disbursements

The above fees are net of disbursements, and we would expect to bill the County for reimbursement of disbursements based on our Disbursement Policy, a copy of which is attached hereto. It is our practice to bill for reimbursement of disbursements by detailed computerized lists which are distributed to our clients as part of the bill. The actual amount of disbursements for a particular financing is difficult to predict. The typical total amount of disbursements for a private sale by a municipality of bond anticipation notes would equal approximately \$100.00 (representing disbursements for photocopying, telephone, overnight courier and postage). The typical charge for disbursements for a public sale of bonds would equal approximately \$300-\$500.
