Justification: (state briefly why legislative action is requested)

The Department of Public Works is requesting the Legislature's approval of an agreement with K5 Corporation for the annual striping of County highways for an amount not to exceed \$320,812.80. Due to the increased gasoline/diesel pricing along with the shortage of water based paint, the cost of striping roads has doubled from last year. We only received one bid for this project. The previous contractor that we have worked with over the past three years did not bid because of too many unknowns. Due to the departments current budget amount of \$205,262.00 (D95020.44004 Road Striping), a Budget Amendment of \$116,104.00 (attached) is needed to cover the additional cost of this agreement.
