Justification: (state briefly why legislative action is requested)

We request the Legislature's approval to enter into an agreement with Capital District Transportation Authority (CDTA), acting on behalf of the Capital District Transportation Committee (CDTC) which is the Metropolitan Planning Organization (MPO) for the Capital District, for Professional Transportation Engineering and Planning Services. This agreement will be for a three year period beginning on April 1, 2021 through March 31, 2024. The cost per year is \$30,000.00 for a three year total of \$90,000.00.

The CDTC provides technical planning services regarding traffic impact studies and collects transportation related data. Each year CDTC provides the Department of Public Works with pavement ratings for the County's non-federal-aid roads which assist in selecting roads to be paved each year. CDTC will also provide The Department of Public Works with a Trail Loop Feasibility Study along State Farm Road and New Karner Rd. within Albany County.
