Re: CFA Application # 121601 Climate Smart Communities Project – Climate Action Plan

Dear County Executive McCoy:

The Department of Environmental Conservation (DEC) Office of Climate Change is pleased to inform you that the Climate Action Plan project has been selected to receive a Climate Smart Communities grant in the amount of \$35,000. If you applied for funding from other programs or other State agencies, you will receive information from those programs or agencies separately.

Once DEC has received approval from the Office of the State Comptroller, we will reach out to the person identified in your grant application as the primary contact to provide additional information related to developing a contract for state assistance.

We look forward to working with you on this important climate action project. If you have any questions, please contact the Climate Smart Communities grant program staff at [CSCgrants@dec.ny.gov](mailto:CSCgrants@dec.ny.gov) or call 518-402-8448.

Sincerely,

Basil Seggos  
Commissioner
