

Town of Guilderland MOU for IT Services

Purpose:

Albany County will provide a data disaster recovery site for the Town of Guilderland. Albany County will only provide rack space, network connectivity and power in its data center located at 112 State St, Albany. The Town of Guilderland will provide its own equipment needed to back up data.

Cost: Zero

Caveats

Albany County should not be liable for any equipment or the maintenance and support for that equipment as provided by the Town of Guilderland.
