Previous requests for Identical or Similar Action:

Resolution/Law Number: Resolution 492

Date of Adoption: 12/5/2022

Justification: (state briefly why legislative action is requested)

We have requested an extension because we have been searching for a vendor that could put together the Cyber Assessment and work with us to develop a comprehensive Cyber Security Policy. We were unsuccessful with finding a vendor until recently. Now that we have found a vendor, we will be able to move forward to complete this project but needed the grant extension in order to do so. There is no cost to the County.
