**DESCRIPTION OF REQUEST:** (state briefly why legislative action is requested)

The Albany County Department of Health (ACDOH) requests authorization to accept and enter into a contract with the New York State Department of Health (NYSDOH) for the Drinking Water Enhancement (DWE) Program and make a corresponding budget amendment. This is a new five-year grant period and ACDOH has been awarded \$110,690 per year for a total of \$553,450. The five-year grant period is April 1, 2025 through March 31, 2030 and ACDOH's annual award has been increased by \$4,978 over the previously budgeted amount. This grant partially funds Albany County's mandate to oversee federal and state regulations covering public drinking water systems.
