Good Afternoon,

Congratulations on your 2021 Aid to Defense grant award:

This new contract is from 4/1/2021 – 3/31/2022 and the project number begins with AD21. If you have not done so already, please log into GMS and check the Participants and Budget tabs. For these new contracts you will have to enter your Budget into GMS. This contract is not split funded as it was in previous years, so everything can be entered into one version. If everything looks correct, please submit the contract for approvals in GMS.

As always, please do not hesitate to contact me if you have any questions.

Thank you,
