BY AND BETWEEN
THE COUNTY OF ALBANY
AND
ST. CATHERINE'S CENTER FOR CHILDREN**

PURSUANT TO RESOLUTION NO. 155, ADOPTED 5/9/2022

This is an Agreement, made by and between the County of Albany, a municipal corporation, (hereinafter referred to as the "County"), acting by and through the Albany County Department of Social Services (hereinafter referred to as the "Department"), having its principal office at Albany County Office Building, 112 State Street, Albany, New York 12207 and St. Catherine's Center for Children (hereinafter referred to as the "Provider"), a non-profit organization having its principal office at 40 North Main Avenue, Albany, New York 12203.

WITNESSETH:

WHEREAS, the Commissioner of Social Services of the County of Albany, hereinafter called the Commissioner, is an authorized social services official charged with the responsibility, insofar as funds are available for that purpose, to administer such care, treatment and services that may be necessary to restore persons unable to maintain themselves to a condition of self-support or self-care, pursuant to Social Services Law and Title 18 NYCRR 352.8, and

WHEREAS, Social Services Law and Title 18 NYCRR 352.8, require local districts to provide emergency assistance to eligible homeless persons, and authorizes payment to emergency shelters providing care to public assistance-eligible homeless persons, and

WHEREAS, Albany County is desirous of contracting with the Provider for the operation and management of a Tier II Family Shelter, pursuant to the provisions of 18 NYCRR 900 et seq., on the premises located at 195 Washington Avenue Extension, Albany, New York, and

WHEREAS, the Provider, a qualified non-profit organization, is willing and able to deliver the service required by the County and to ensure that the aforementioned requirements are met efficiently and effectively, and

WHEREAS, the County has accepted the Provider's offer to deliver the necessary emergency/transitional shelter services to meet the needs of the County and to meet the needs of the aforementioned homeless families residing in Albany County.

NOW, THEREFORE, the parties hereto do mutually covenant and agree as follows:

ARTICLE I. SERVICES TO BE PERFORMED BY PROVIDER

The Provider shall provide emergency/transitional shelter services for families at the Marillac Residence, as herein set forth and as more particularly described in Exhibit 1 of this Agreement attached hereto and made a part hereof.

ARTICLE II. SCOPE OF SERVICES

The Provider will operate, manage and evaluate a Tier II Family Shelter program, pursuant to 18 NYCRR 900 and the facility Operational Plan, as submitted by the Department and approved by NYS Office of Temporary and Disability Assistance (NYSOTDA), or as subsequently amended, and as detailed under Exhibit 1.

The Provider will provide the agreed emergency/transitional shelter services only at the following location: 195 Washington Avenue Extension, Albany, New York 12205.

The provision of services at any other location(s) will not be paid for under this Agreement, unless the Department's prior, written approval has been secured and attached as an amendment to this Agreement.

The Provider agrees to assume full responsibility for the maintenance, repair and security of all facility buildings and grounds, except as otherwise provided herein.

All capital improvements and/or capital repairs will be implemented under the direction and control of the County, with the assistance and cooperation of the Provider. A. "capital improvement or capital repair" means an improvement or repair that adds to the value of the facility or extends the useful life of the facility. The parties acknowledge that as owner of the facility the County is required to comply with state and local competitive bidding requirements, as well as the prevailing wage rate provisions of Labor Law section 220 that apply to "public works" projects. To illustrate, the replacement of the facility roof constitutes a "public works" project that triggers competitive bidding and prevailing wage rate requirements. The County remains responsible for the cost of all capital improvements and capital repairs. The parties agree that funds maintained in either a replacement fund, rent fund or capital fund will be available for and may be utilized by the County for capital improvements or repairs.

In the event of an emergency involving the failure of an essential building system (ex. HVAC, sewer pump, fire sprinkler system), the direct replacement of such system shall be coordinated between the County Department of General Services and the Provider's maintenance staff. The replacement of such items constitutes a capital improvement such that the prevailing wage rate would apply.

ARTICLE III. GENERAL PROVISIONS

The Provider agrees to comply in all respects with the provisions of this Agreement and the schedules and exhibits attached thereto and made a part hereof.

The Provider specifically agrees to perform or assist homeless families to obtain services and achieve housing permanency as outlined in Exhibits 1 and 2 attached hereto and made a part hereof. Any requests by either party to the Agreement for modifications to the provision of these schedules and exhibits must be mutually agreed to by both parties in writing before the additional or modified provisions shall commence.

The Provider shall complete services in a timely manner to protect the interests and rights of the County to the fullest extent reasonably possible. The Provider agrees to notify the Department in writing, within three (3) days of occurrence, of any problem(s) which may threaten performance of the provisions of this Agreement, and shall submit therewith recommendations for solution(s).

The Department will designate a staff person who shall have authority for overseeing the Provider's performance of those services designated herein. Reports and issues of interpretation or direction relating to this Agreement shall be directed to the designated staff member.

The Provider will be fully responsible for the provision of all equipment and services for Provider's staff necessary to the performance of services designated under this Agreement.

As part of this Agreement, the Provider agrees to comply in all respects with the provisions of this Agreement and the schedules and exhibits attached hereto and made a part hereof.

ARTICLE IV. ASSIGNMENTS

The Provider specifically agrees as required by Section 109 of the New York General Municipal Law that the Provider is prohibited from assigning, transferring, conveying, subletting, or otherwise disposing of this Agreement, or of the Provider's right, title or interest therein, without the previous written consent of the County.

The Provider or its employees will provide all activities required to be performed by it under this Agreement. The Provider shall not subcontract for any portion of the services required under this Agreement without the prior written approval of the County and subject to such conditions and provisions as the County may deem necessary.

ARTICLE V. CONFIDENTIALITY REQUIREMENTS

The Provider shall observe all applicable Federal and State requirements relating to confidentiality of records and information, and shall not allow the examination of records or disclose information, except as may be necessary by the County to assure that the purpose of the Agreement will be effectuated, and also to otherwise comply with the County's requirements and obligations under law. Further, to the extent it may be applicable, the Provider herein agrees to abide by the terms and conditions of Appendix "A" attached hereto and made a part hereof regarding the Healthcare Insurance Portability and Accountability Act of 1996.

ARTICLE VI. INFORMATION ACCESS

The Provider agrees to provide the County and authorized State and/or Federal personnel access to any and all books, documents, records, charts, software or any other information relevant to performance under this Agreement, upon request. The Provider agrees to retain all of the above information for six (6) years after final payment or the termination of this Agreement, and shall make such information available to the County, State, and/or Federal personnel, and/or to any person(s) duly authorized by any of them during such period.

The County and the State reserve the right to conduct on-site evaluations of the services provided under this Agreement, and shall be afforded full access by the Provider to the grounds, buildings, books, papers, employees and recipients relating to such service provision, and may require from the officers and persons in charge thereof any information deemed necessary to such an evaluation.

All technical or other data relative to the work pertaining to this Agreement in the possession of the County or in the possession of the Provider shall be made available to the other party to this Agreement without expense to the other party.

ARTICLE VII. COOPERATION

The Provider shall cooperate with representatives, agents and employees of the County and the County shall cooperate with the Provider, its representatives, agents and employees to facilitate the economic and expeditious provision of services under this Agreement.

ARTICLE VIII. FAIR HEARINGS

The Provider will establish a system through which recipients may present grievances about the operation of the service program. The Provider will advise recipients of this right and will also advise applicants and recipients of their right to appeal.

The County shall notify applicants for services and recipients of care and services of their right to a fair hearing to appeal the denial, reduction or termination of a service, or failure to act upon a request for services with reasonable promptness.

The Provider, upon the request of the County, shall participate in appeals and fair hearings as witnesses when necessary for a determination of the issues.

ARTICLE IX. ACCOUNTING RECORDS

Proper and full accounting records shall be maintained by the Provider, which records shall clearly identify the costs of the work performed under this Agreement. Such records shall be subject to periodic and final audit by the County and the State for a period of six (6) years following the date of final payment by the County to the Provider for the performance of the work contemplated herein.

If the Provider is subject to an audit by an agency of the United States government, then a copy of such annual audit, including exit conference results, if any, shall be provided to the Albany County Department of Social Services and the Comptroller of the County of Albany within ten (10) days after receipt by Provider of the final audit and the exit conference results, if any.

If Provider is not subject to an annual audit by an agency of the United States government, but receives from Albany County Department of Social Services funds in excess of \$50,000 in its fiscal year, then Provider shall engage an independent auditor acceptable to the Albany County Department of Social Services to: 1) review the records and accounts of the Provider; 2) render an opinion as to the accuracy and sufficiency of Provider's records and accounting methods; 3) render an opinion of Provider's financial position for the fiscal year being audited and any change therein, including but not limited to its net income or net loss. The audit report by the independent auditor shall be submitted to the Albany County Department of Social Services and the Comptroller of the County of Albany within ten (10) days of its receipt by the Provider.

ARTICLE X. FEES

In consideration of the terms and obligations of this Agreement, the County agrees to pay and the Provider agrees to accept a sum not to exceed **ONE HUNDRED SIXTY-ONE DOLLARS AND 78/100 (\$161.78)** per day, per public assistance-eligible family, as full compensation for the Service described under this Agreement. Said amount represents the operating component of the facility per diem rate approved by NYSOTDA.

The above-specified per diem rate has been established by New York State. Any change in the rate, as established by New York State, will immediately, upon its effective date, take precedence over the rate specified in the above paragraph.

The Department agrees to reimburse the Provider for care and services provided, when such claims are submitted to the Department in accordance with the specifications included under Exhibit 2 attached hereto and made a part hereof.

The Provider agrees that the Department may at any time during the term of this Agreement, elect to reduce the per diem rate paid to the Provider in an amount not to exceed an annual total of \$9,931, representing the State approved budgeted amount for replacement reserve costs. The amount of this reduction will be determined based upon an amount of funds to be retained by the Department for a capital reserve, minus an amount to be retained by St. Catherine's for equipment and furnishing replacement reserve.

ARTICLE XI. RELATIONSHIP

The Provider is, and will function as, an independent contractor under the terms of this Agreement and shall not be considered an agent or employee of the County of Albany or the State of New York for any purpose, and the employees and representatives of the Provider shall not in any manner be, or be held to be, agents or employees of the County or the State.

ARTICLE XII. SCHEDULE

The Provider shall complete all work in a timely manner to protect the interests and rights of the County to the fullest extent reasonably possible. The Provider agrees to notify the Department in writing, within three (3) days of occurrence, of any problem(s) which may threaten performance of the provisions of this Agreement, and shall submit therewith recommendations for solution(s).

ARTICLE XIII. INDEMNIFICATION

The Provider shall defend, indemnify and save harmless the County, its employees and agents, from and against all claims, damages, losses and expenses (including, without limitation, reasonable attorney's fees) arising out of, or in consequence of, any negligent or intentional act or omission of the Provider, its employees or agents, to the extent of its or their responsibility for such claims, damages, losses and expenses.

Such notice is to be made via registered or certified mail return receipt requested or hand delivered to the last known address of the Provider. The date of such notice shall be deemed to be the date the notice is received by the Provider established by the receipt returned, if delivered by registered or certified mail, or by an affidavit of the person delivering the notice to the Provider, if the notice is delivered by hand.

Upon the County's knowledge of a breach of this Agreement by the Provider, the County may terminate the Agreement if it determines that such a breach violated a material term of this Agreement. Notwithstanding that, the County may provide an opportunity for the Provider to cure the breach within a time set by the County and, if cure is not possible or does not occur within the time limit, immediately terminate the Agreement without penalty.

- b) In the event that NYS should increase or decrease the per diem rate applicable to the Provider's Tier II Family Shelter, the new rate will automatically supersede the rate shown above.

II. Billing and Reimbursement

The Department will reimburse the Provider for shelter "bed days" provided to an eligible person(s) as follows.

- a) The Department will reimburse the Provider for shelter stays of families who have appropriately established eligibility under Family Assistance, Emergency Assistance for Families (EAF), Safety Net, or Emergency Assistance for Adults (EAA).
- b) Eligibility determinations, shelter reimbursements and payment of benefits to, or on behalf of the recipient, will be made in compliance with current federal and State regulations.
- c) In the instance that a resident has an alternate and available source(s) of income, yet is still entitled to partial assistance, the Department will provide reimbursement to the Provider in the appropriate pro-rated amount. The Provider will develop and submit for the Department's review, a procedure for the collection of residents' share of shelter costs. The Provider will be directly responsible for collection of any remaining amount directly from the resident.
- d) The Provider will bill the Department for each resident determined eligible for reimbursement by the Department. The billing format will include the name of each resident and the actual dates of shelter stay charged. The Provider must sign each bill, with such signature being considered to attest to the validity of the claim.
- e) The Provider will be responsible for directly billing other local social services districts, in the event that they are fiscally responsible for the shelter stay of a resident family.
- f) In the event that NYSOTDA withholds reimbursement from the Department as a penalty resulting from the Provider's non-compliance with Part 900 regulatory requirements, the Department will reserve the right to pass this penalty on to the Provider. Such will occur at the sole discretion of the Department and will assume that both the Department and the Provider have cooperated in such efforts, as are proscribed by Part 900 regulation, to prevent the assessment of such penalty by NYSOTDA.

III. Fiscal Reporting

- a) The Provider shall be responsible for submittal of the following to the Department.
 - Immediately upon availability, a copy of the agency's annual, certified financial statements.
 - By no later than February 15th of each year, a report of facility expenditures for the prior calendar year, utilizing such forms as may be required by the Department and/or NYS Office of Temporary and Disability Assistance.
 - By no later than February 15th of each year, a proposed operating budget for the current calendar year, utilizing such forms as may be required by the Department and/or NYS Office of Temporary and Disability Assistance.
- b) The Provider shall notify the Department in advance of any significant proposed change to the facility budget. Prior to implementation of such change, the Provider must have received such written authorization of the Department and/or NYS Office of Temporary and Disability Assistance, as may be required.
- c) All budgetary information and reports required under this section shall be submitted to the designated Department contract manager.
