DANIEL C. LYNCH, ESQ.  
DEPUTY COUNTY EXECUTIVE

November 1, 2022

Honorable Andrew Joyce, Chairman  
Albany County Legislature  
112 State Street, Room 710  
Albany, New York 12207

Dear Chairman Joyce:

I respectfully request the County Legislature's authorization of an intergovernmental agreement between Albany County, the Town of Guilderland, MVP Health Care and the National Fitness Campaign (NFC) that will allow for the installation of a fitness court in Tawasentha Park in Guilderland. The fitness court is a 38-foot by 76-foot outdoor recreational facility that comes fully equipped with various exercise equipment that allows for a myriad of workouts. The fitness court would be free and open to the public to individuals, while also allowing for organized group sessions.

This agreement would further improve the health and wellness of Albany County and it is truly a partnership between all of the various parties involved. As part of the county's ongoing collaboration with MVP Health Care, the cost of the fitness court would be funded through the Innovation Fund. Building the concrete foundation of the facility within the Town of Guilderland-owned Tawasentha Park would be the responsibility of the Albany County Department of Public Works, while the National Fitness Campaign (NFC) would utilize their technical skillset to install the exercise equipment.

Thank you for your time and consideration. If you should have any questions or concerns, please do not hesitate to reach out to me.

Sincerely,

Daniel P. McCoy  
Albany County Executive
