If you have obtained this document from a source other than the Albany County Purchasing Division or the Empire State Bid System, it is strongly recommended that you obtain an official copy.

SECTION 1: PURPOSE

- 1.1 The County of Albany, NY is seeking proposals for funding through the County's Opioid Settlement Funds as requested by the Albany County Department of Mental Health.
- 1.2 Individuals who struggle with substance abuse—whether they are in treatment, active recovery, or still using—often benefit significantly from peer support. For those in recovery, peers can play a key role in helping them rebuild their lives, establish new routines, and form friendships that aren't centered around drug use. People navigating a treatment program gain valuable insights from speaking with someone who has firsthand experience and understands their questions and fears. Even those who are actively using substances may find value in connecting with someone who demonstrates that recovery is possible; they can also access harm reduction resources like clean needles and testing strips.

Unfortunately, peer support isn't always available around the clock. Most recovery centers operate during standard business hours, with even the more flexible ones typically closing by 8:00 or 9:00 p.m. For individuals with full-time jobs, this leaves only a narrow window to attend meetings or access support before facilities close. While peers may be reachable by phone during off-hours, availability often depends on individual circumstances, and frequent calls could strain these relationships. Meanwhile, urges to use, feelings of loneliness or despair, or mental health crises often occur late at night. Evenings may also be the only time a person can focus on building recovery skills.

Technology offers an opportunity to bridge this gap. Social networks can connect individuals for mutual support and encouragement, while apps can provide skill-building tools that are accessible anytime, day or night.

- 1.3 Albany County will provide funding through its Opioid Settlement Fund to receive licenses for a Recovery Support application that will include users throughout the County's

Departments, including Mental Health, Heath, Children and Families and Social Services, as well as at least five (5) Community Providers. In addition to the licenses, proposals should include technological support for the participating providers and their clients/app users. The proposal should cover two years of implementation.

SECTION 2: RECEIPT OF PROPOSALS

2.1 Proposals should not exceed seven (7) pages, excluding screenshots, the Budget Form and Letters of Support. Please use the 11-point Times New Roman font, 1-inch margins and double-spaced paragraphs.

2.2 Five (5) copies, and (1) electronic copy on CD or flash drive, of the Proposal and other required documents must be submitted, sealed in an opaque envelope clearly marked with the name and number of the Proposal and the name and address of the Proposer. Proposals must be received no later than **4:30 P.M. on July 18, 2025**, at the following address:

Pamela O Neill
Albany County Purchasing Agent
112 State Street, **Room 1000**
Albany, New York 12207

Or electronic submission on BidNet Empire State Purchasing Group
<http://www.empirestatebidsystem.com>

2.3 The Proposal submitted by the individual Proposer(s) is the document upon which Albany County will make its initial judgment regarding the Proposer's qualifications, understanding of the County's scope and objectives, methodology, and ability to complete services under the contract.

2.4 Those submitting Proposals do so entirely at their expense. There is no express or implied obligation by Albany County to reimburse any firm or individual for any costs incurred in preparing or submitting Proposals, preparing or submitting additional information requested by the County, or for participating in any selection interviews.

2.5 Submission of any Proposal indicates acceptance of the conditions contained in the RFP, unless clearly and specifically noted otherwise in the Proposal.

2.6 Albany County reserves the right to reject any and all Proposals, in whole or in part, submitted in response to its RFP.

2.7 Albany County reserves the right to waive any and all informalities and to disregard all non-conforming, non-responsive or conditional Proposals.

2.8 Albany County may, at any time by written notification to all Proposers, change any portion of the RFP described and detailed herein.

2.9 Proposals will be examined and evaluated by **the Albany County Department of Mental Health.**

2.10 During the evaluation of Proposals, the County may require clarification of information or may invite Proposers to an oral presentation to amplify and or validate Proposal contents.

SECTION 3: QUALIFICATION OF PROPOSER

Provide a statement of Proposer qualifications including:

3.1 Provide the name, a brief history and description of your firm.

3.2 Identify your firm's professional staff members who will be involved in the County engagement and the experience each possesses and the location of the office from which each work.

3.3 Name and title of person(s) authorized to bind the Proposer, together with the main office address, and telephone number (including area code).

3.4 Detail your firm's experience with providing a Recovery Support App for individuals in recovery.

3.5 Provide at least two (2) references from other governmental clients, including name, addresses and telephone numbers.

3.6 Provide any additional information that would distinguish your firm in its service to Albany County.

3.7 Proposer shall include a completed "Vendor Responsibility Questionnaire" (Attachment "C") with the Proposal.

3.8 In addition, Albany County may make such investigations it deems necessary to determine the ability of the Proposer to perform the work. The Proposer shall furnish to the County, within five (5) days of a request, all such information and data for this purpose as may be requested. The County reserves the right to reject any Proposal if the information submitted by, or investigation of, such Proposer fails to satisfy the County that such Proposer is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein. Conditional Proposals will not be accepted.

SECTION 4: SCOPE OF SERVICES

4.1 Albany County is seeking proposals for licenses for an existing app that will support individuals in recovery from substance abuse. The app should be available to users with both Apple and Android smartphones.

4.2 At minimum, the app should include:

- a sobriety calculator that includes live or scheduled messages that celebrate the user's milestones and encourages them to continue on their sobriety journey
- a moderated chat that allows users to connect with other individuals who are in recovery; moderators should remove hateful language and ensure that the app can't be used to encourage drug use or provide misinformation about treatment and/or medications.
- a resource library that includes resources that will help users develop skills that will help them rebuild their lives
 - the resource library should also have the option for participating agencies to upload their own resources
- a calendar of events that the participating agencies can update with their own meetings and events
- connections to Albany County resources that could support individuals in recovery

4.3 Users should be able to remain anonymous on the app and chats should be moderated to ensure that the app remains a safe and supportive place for users. Proposers should describe how they keep user's information, and the users themselves, safe. The application must be compliant with HIPAA and 42 CFR Part 2, and documentation of compliance must be provided.

4.4 With users' consent, data could be used for research purposes, but should never be used for marketing or shared with marketers. The proposer must describe how client consent for data use and sharing is obtained, managed, and audited within the app.

4.5 Data created and stored by the application will remain the sole property of the Albany County Department of Mental Health. Upon termination of the contract, the vendor must support full data extraction in an open format (e.g., JSON, CSV, XML) for backup, reporting, and system migration purposes.

4.6 The app's layout should be engaging and user-friendly. Everything should work properly (no broken links) and the app should be tested frequently and updated as needed.

4.7 While the app should support individuals who are in substance abuse treatment or in recovery, the app should not replace in person treatment or recovery support. Albany County is interested in an app that will be available to users when treatment agencies and recovery centers are closed or when individuals can't make it to a meeting, but the app shouldn't be providing treatment or replacing the relationships that individuals can make at an in-person recovery center.

SECTION 5: TERM OF CONTRACT:

5.1 The contract period will be two (2) years from the date of a fully executed contract.

At the end of the initial two (2) year contract term the agreement may be renewed at the County's discretion for one (1) additional year.

5.3 The successful Proposer shall execute a contract with the County of Albany in substantial conformance with this RFP as prepared and approved by the County Attorney.

SECTION 6: COST PROPOSAL:

- 6.1 Submit a cost proposal for the services described above in Section 4, Scope of Services.

- 6.3 Provide any other relevant information that will assist the County in evaluating your Proposal.
